

CHARLIE AND THE INTELLIGENCE FACTORY · BOOK IV

Charlie and the Reasoning Room

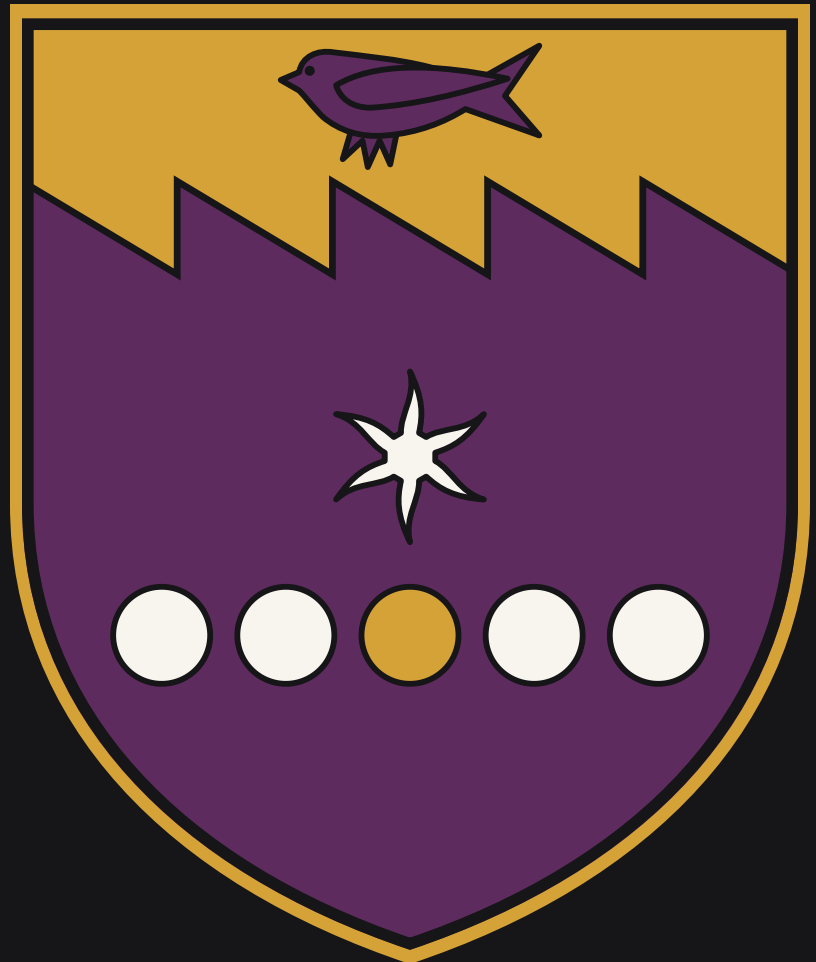

Reason – Reinforcement Learning, from bandits to reasoning models

BLAZON

Purpure, a chief sawtoothed Or charged with a martlet Purpure; in fess four plates and a bezant, the bezant ensigned with an estoile Argent.

SYMBOLISM

The martlet marks the fourth son. Many attempts, one reward: arms pulled or answers sampled, and only the one that turned out right is reinforced. Bandits and reasoning models alike, in the room where the machine is never shown the answer.
