

Pi vs Hermes vs Codex

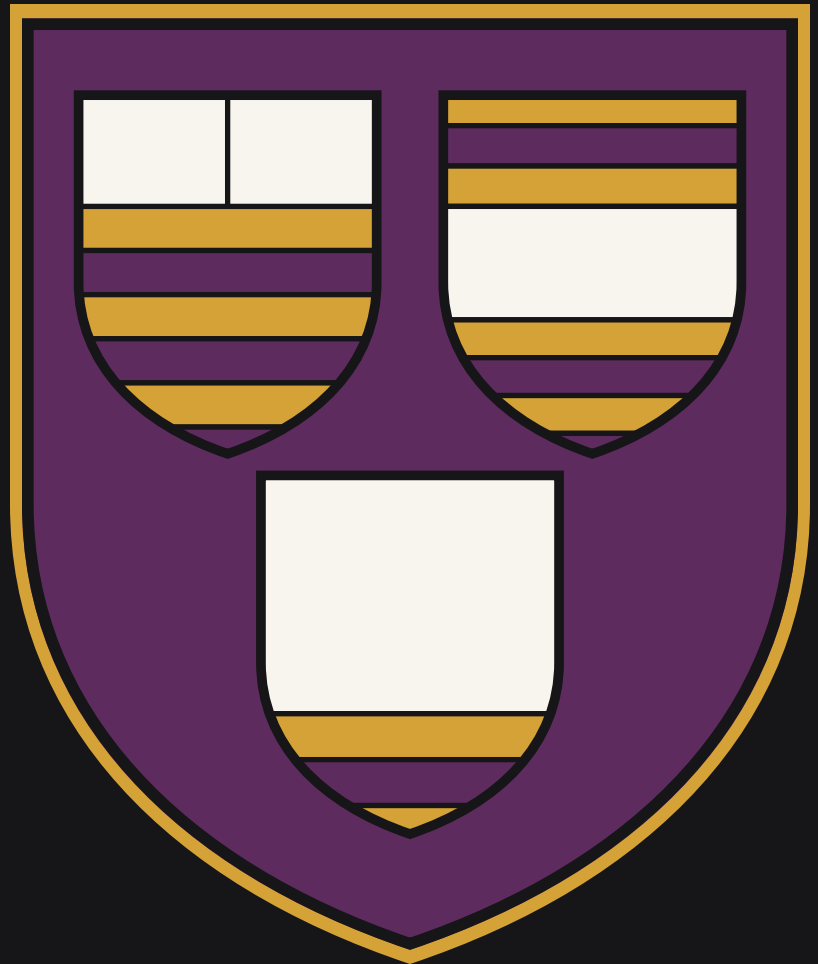

Context Compaction and Memory

BLAZON

Purple, three escutcheons: the first barry Or and Purple, a chief per pale Argent; the second barry, a fess Argent; the third Argent, a base barry.

SYMBOLISM

Three harnesses, three ways to compact a conversation. Its turns are bars; a summary is plain silver. Pi cuts once and writes two summaries above the cut; Hermes keeps the head and tail and compresses the middle; Codex hands on a single summary.
